

HALTON STANDARD CONDOMINIUM CORPORATION NO. 628
1005, 1025 & 1045 Nadalin Heights, Milton, Ontario

NOTICE

PIGEONS

We wish to remind all residents not to feed the pigeons.

Please ensure your balcony areas are clear of items which may attract pigeons and birds such as sitting water baths, bird feeders, bird feed like seeds, etc. as these in turn attract rodents such as mice and rats.

It is recommended residents consider implementing small measures like tying clear string to deter pigeons and other birds from balconies.

Thank you for your cooperation in this important matter.

TAG MANAGEMENT

For and on behalf of your Board of Directors
